

# Do You Know What I'm Seeing?

## Panic! At the Disco

[Verse 1]

Clouds are marching along  
Singing a song, just like they do  
If the clouds were singing a song  
I'd sing along, wouldn't you, too?  
If you just knew what they could do  
Oh, if you just knew, what would they do?

[Pre-Chorus]

And if the birds are just hollow words  
Flying along, singing a song  
What would they do  
If they just knew what they could do?  
Oh, if they just knew

[Chorus]

I know it's sad that I never gave a damn about the weather  
And it never gave a damn about me  
I know it's sad that I never gave a damn about the weather  
And it never gave a damn about me  
No, it never gave a damn about me

[Post-Chorus]

I know it's mad, but if I go to hell  
Will you come with me or just leave?  
I know it's mad, but if the world were ending  
Would you kiss me or just leave me?  
Just leave me?

[Verse 2]

Clouds are singing a song  
Marching along, just like they do  
If the clouds were playing a song  
I'd play along, wouldn't you, too?  
If you just knew what they could do  
Oh, if you just knew, what would they do?

[Pre-Chorus]

And if words are just hollow birds  
Flying along, singing a song  
What would they do  
If they just knew what we could do?  
Oh, if they just knew

[Chorus]

I know it's sad that I never gave a damn about the weather  
And it never gave a damn about me  
I know it's sad that I never gave a damn about the weather  
And it never gave a damn about me  
No, it never gave a damn about me

[Post-Chorus]

I know it's mad, but if I go to hell (I know it's mad)  
Will you come with me or just leave?  
I know it's mad, but if the world were ending (I know it's mad)  
Would you kiss me or just leave me?  
Just leave me?

[Chorus]

I know it's sad that I never gave a damn about the weather  
And it never gave a damn about me  
I know it's sad that I never gave a damn about the weather  
And it never gave a damn about me  
I know it's sad that I never gave a damn about the weather  
And it never gave a damn about me (I know it's sad)  
I know it's sad that I never gave a damn about the weather  
And it never gave a damn about me (I know it's oh so sad)  
No, it never gave a damn about me (Oh so sad)
