

Hit The Ceiling

LION BABE

[Verse 1]

Everyday, gotta rise from the bottom to the top, oh-oh
Anyway, gotta choose make a move, hustle never stops

[Pre-Chorus]

All night gotta stay up (Ayy, okay)
And I just can't get enough (Ayy, okay)
Goin' out, I'll see you around (Around)
Downtown in the scene

[Chorus]

I'm gon' hit the ceiling, hands up on the wall (On it, on it)
We ain't got no limit (Oh-oh), and we don't let go (Don't let go)
I'm gon' hit the ceiling, can you hear me? (Hear me?)
I'm gon' change my spirit, I'm near it (I'm near it)
Ready for the healin', the healin' (The healin')
Tell me if you feel it (Feel it), here we go, oh

[Verse 2]

What a day in our little world
Out here riding with the wave
Sweet escape finds me every day
At home where the heart is, where the heart is

[Pre-Chorus]

All night gotta stay up (Ayy, okay)
And I just can't get enough (Ayy okay)
Going out, I'll see you around (Around)
Downtown in the scene

[Chorus]

I'm gon' hit the ceiling, hands up on the wall (On it, on it)
We ain't got no limit (No limit), and we don't let go (Don't let go)
I'm gon' hit the ceiling, can you hear me? (Can you hear me?)
