

Stuck Like Glue

Sugarland

[Verse 1]

MMMM better, MMMM better
Absolutely no one that knows me better
No one that can make me feel sooo goooooo
How did we stay so long together?
When everybody, everybody said we never would
And just when I, I start to think they're right
That love has died

[Chorus]

There you go making my heart beat again
Heart beat again
Heart beat again
There you go making me feel like a kid
Won't you do it and do it one time?
There you go pulling me right back in
Right back in
Right back in
And I know-oo I'm never letting this go-ooo
I'm stuck on you
Whutooo whutooo
Stuck like glue
You and me baby we're stuck like glue
Whutooo whutooo
Stuck like glue
You and me baby we're stuck like glue

[Verse 2]

Some days I don't feel like trying
Some days you know I wanna just give up
When it doesn't matter who's right, fight about it all night
Had enough
You give me that look
"I'm sorry baby let's make up"
You do that thing that makes me laugh
And just like that

[Chorus]

There you go making my heart beat again
Heart beat again

Heart beat again
There you go making me feel like a kid
Won't you do it and do it one time?
There you go pulling me right back in
Right back in
Right back in
And I know-oo I'm never letting this go-ooo
I'm stuck on you
Whutooo whutooo
Stuck like glue
You and me baby we're stuck like glue
Whutooo whutooo
Stuck like glue
You and me baby we're stuck like glue

[Bridge]
You almost stay out, too stuck together from the ATL
Whutooo Whutoo
Feeling kinda sick?
Just a spoon full of sugar make it better real quick
I say
Whutooo Whutoo
What you going to do with that?
Whutooo Whutoo
Come on over here with that
Sugar sticky sweet stuff
Come on give me that stuff
Everybody wants some
Melodies that get stuck
Up in your head
Whutooo whutooo
Up in your head
Whutooo whutooo
Up in your head
Whutooo whutooo
Up in your head
Whutooo whutooo
Whuthoo whutooo
Stuck like glue
You and me together, say, it's all I wanna do
I said

[Chorus]
There you go making my heart beat again
Heart beat again
Heart beat again
There you go making me feel like a kid
Won't you do it and do it one time?
There you go pulling me right back in

Right back in
Right back in
And I know-oo I'm never letting this go-ooo
I'm stuck on you
Whutooo whutooo
Stuck like glue
You and me baby we're stuck like glue
Whutooo whutooo
Stuck like glue
You and me baby we're stuck like glue

There you go making my heart beat again
Heart beat again
Heart beat again
There you go making me feel like a kid
Won't you do it and do it one time?
There you go pulling me right back in
Right back in
Right back in
And I know-oo I'm never letting this go-ooo
I'm stuck on you
Whutooo whutooo
Stuck like glue
You and me baby we're stuck like glue
Whutooo whutooo
Stuck like glue
You and me baby we're stuck like glue
