

# Roses

Kelsea Ballerini

You brought one to my door  
Stood there on the front porch  
That was the beginning  
We had those tires spinning  
Down to the green grass  
Outside of town  
Wild and free, never slowing down  
I thought I needed you like air  
We burned hot, burned out, like a flame  
But in my head, you'll never fade  
Yeah, we were classic  
My dress, your leather jacket  
Didn't know how good we had it  
But, boy, we had it  
14th of February, gotta feeling my heart still carries  
Yeah, we didn't know it  
Thought we could grow it  
Beautiful for a moment  
We were roses  
We were roses  
You put one in my hair  
We danced in the middle of nowhere  
You and me all summer  
Bright and living color  
My lips were red  
Your eyes were blue  
And I thought I saw forever in you  
Yeah, we were classic  
My dress, your leather jacket  
Didn't know how good we had it  
But, boy, we had it  
14th of February, gotta feeling my heart still carries  
Yeah, we didn't know it  
Thought we could grow it  
Beautiful for a moment  
We were roses  
But seasons had to change  
And like flowers they bloom and withered away  
Yeah, we were classic  
My dress, your leather jacket  
Didn't know how good we had it  
It was so good while it lasted  
Yeah, we were classic  
My dress, your leather jacket  
Didn't know how good we had it  
But, boy, we had it  
14th of February, gotta feeling my heart still carries  
Yeah, we didn't know it

Thought we could grow it  
Beautiful for a moment  
We were roses We were beautiful for a moment, baby  
We were roses  
We were beautiful for a moment, baby  
We didn't know it  
Thought we could grow it  
Beautiful for a moment  
We were roses
