## Quit (feat. Ariana Grande)

## **Cashmere Cat**

And you say that I'm the devil you know And I don't disagree, no, I don't see the harm They say: "You crazy, just leave him, he'll suffocate you" But I wanna be in your armsThey say, "No, don't pick up the phone, let them think there's nobody home" But I'm under your spell 'Cause when you call my heart starts to roll I always want more It's my heaven, my hellWe're heading deep Inside lives a voice, a voice so quiet But I can't hear that voice when your heart beats next to mine I can't quit you I can't quit you I can't quit you I can't quit you Yeah, I'm gonna regret it Yeah, I'm gonna regret it Yeah, I'm gonna regret it I know I'm gonna regret itWhen you said: "Baby, I just want you to lay me down and we'll fuck the pain away" 'Cause skin on skin, I feel nothing but the burning of desire And that's just foreplayWe're heading deep Inside lives a voice, a voice so quiet But I can't hear that voice when your heart beats next to mine I can't quit you I can't quit you I can't quit you I can't quit you Yeah, I'm gonna regret it Yeah, I'm gonna regret it Yeah, I'm gonna regret it I know I'm gonna regret itI can't quit you I can't quit you, oh baby I can't quit you I can't quit you, oh babe Gonna regret it Yeah, I'm gonna regret it Yeah, I'm gonna regret it I'm gonna regret it I'm gonna regret it (babe, babe, babe) Gonna regret it
