

Flash Pose

Pablo Vittar & Charli XCX

Yes, girl! Come on! Get with me!
You know, I had an outfit like that in high schoolFlash, flash, flash, flash, flash, flash pose
Flash, flash, flash, flash, flash, flash close
Flash, flash, flash, flash, flash, flash pose
Flash, flash, flash, flash, flash, flash closeWe can try this out
But you gotta know what I'm about
And if we can work it out
You know my body
You know, you know my bodyWe can try this out
But you gotta know what I'm about
And if we can't work it out
You know my body
You know, you know my body
Yeah come over, come over baby
Get in my picture, that's right
'Cause I wasn't trying to get a nice picture by myselfGet in my picture, pose
Get in my frame, close
You're so cool, pose
Yeah, pose, yeah, closeGet in my picture, pose
Get in my frame, close
So sexy, pose
Yeah, pose, yeah, closeLook good when I walk in the party
Ride pink cars like Malibu Barbie
Dressed up, nighty night in a Versace
I love Pablo, Pablo loves Charli
Post up like we own it, yeah
Blow right like it's golden, yeah
Look good, damn it's so unfair, yeah
Look good and we know it, yeahWe can try this out (uh huh, uh huh)
But you gotta know what I'm about (oh yeah, yeah, yeah)
And if we can work it out
You know my body
You know, you know my body (oh)We can try this out (uh huh, uh huh)
But you gotta know what I'm about (oh yeah, yeah, you)
And if we can work it out
You know my body
You know, you know my body (oh)Yeah come over, come over baby
Come in my picture, that's right
'Cause I wasn't trying to get a nice picture by myselfGet in my picture, pose
Get in my frame, close
You're so cool, pose
Yeah, pose, yeah, closeGet in my picture, pose

Get in my frame, close
So sexy, pose
Yeah, pose, yeah, close
