

# Rapture (Avicii New Generation Mix)

[Nadia Ali](#)

The night I laid my eyes on you  
Felt everything around me move  
Got nervous when you looked my way  
But you knew all the words to say  
Then your love slowly moved right in  
All this time, oh my love, where you been?  
Mi amore don't you know  
My love I want you so  
Sugar you make my soul complete  
Rapture tastes so sweet  
Since we connect behind closed doors  
Spark this fire even more  
No telling where we will be next  
Surrender to your rapture arrest  
Lay your head, let the slumber float  
Can't resist, that's why word were wrote, yeah  
La  
La la la la la la  
Da da da da da la  
La  
La la la la la la  
Da da da da da la  
La  
La la la la la la  
Da da da da da la la  
La  
La la la la la la  
Da da da da da la
