

Little Bit O'Soul

Life Of Dillon

[Verse 1]

Now when you're feelin' low and the fish won't bite
You need a little bit o' soul to put you right
You gotta make like you wanna kneel and pray
And then a little bit o' soul will come your way

[Verse 2]

Now when your girl is gone and you're broke in two
You need a little bit o' soul to see you through
And when you raise the roof, when you rock and roll
You get a lot more kicks with a little bit o' soul

[Chorus]

And when your party falls 'cause ain't nobody groovin'
A little bit o' soul and it really starts movin', yeah

[Verse 3]

And when you're in a mess and you feel like cryin'
Just remember this little song of mine
And as you go through life tryin' to reach your goal
Just remember what I said 'bout a little bit o' soul

[Outro]

A little bit o' soul, yeah, a little bit o' soul [x4]
