

Let Me Go

3 Doors Down

One more kiss could be the best thing
Or one more lie could be the worst
And all these thoughts are never resting
And you're not something I deserve
In my head there's only you now
This world falls on me
In this world there's real and make believe
And this seems real to me
And you love me but you don't know who I am
I'm torn between this life I lead and where I stand
And you love me but you don't know who I am
So let me go
Let me go
I dream ahead to what I hope for
And I turn my back on loving you
How can this love be a good thing?
And I know what I'm going through
In my head there's only you now
And this world falls on me
And in this world there's real and make believe
And this seems real to me
And you love me but you don't know who I am
I'm torn between this life I lead and where I stand
And you love me but you don't know who I am
So let me go
Just let me go
Let me go
And no matter how hard I try
I can't escape these things inside I know
I know
But all the pieces fall apart
You will be the only one who knows
Who knows
You love me but you don't know who I am
I'm torn between this life I lead and where I stand
And you love me but you don't know who I am
So let me go
Just let me go
You love me but you don't
You love me but you don't
You love me but you don't know who I am
You love me but you don't
You love me but you don't know me
