

# Going Crazy

## Hardwell & Blasterjaxx

I think we're going crazy  
So now we're going crazy  
I think we're going crazy  
So now we're going crazy  
I think we're going crazy  
So now we're going crazy  
I think we're going crazy  
So now we're going crazy

[illegible]

I think we're going crazy...  
So now we're going crazy

I think we're going crazy  
So now we're going crazy  
I think we're going crazy  
So now we're going crazy  
I think we're going crazy  
So now we're going crazy  
I think we're going crazy  
So now we're going crazy

[illegible]

So now we're going crazy
