

# Talk Dirty

## Doja Cat

Talk, talking to ya  
See, baby, when I'm talk, talking to ya  
Baby, when I'm talk, talking to ya  
Baby, when I'm talk, talking to ya  
(Yeah, yeah, when you, ayy, when you, when you talk dirty back) Now, when you talk like that  
(When you talk to me), I be in my bag  
I be in my bag, now, baby, I'm all in my bag (When you talk dirty back)  
Now, when you talk like that (When you talk to me), I be in my bag  
I be in my bag, now, baby, I'm all in my bag (When you talk dirty back)  
Now, when you talk like that (When you talk to me), I be in my bag  
I be in my bag (When you talk to me), now, baby, I'm all in my bag (When you talk dirty back)  
Now, when you talk like that (When you talk to me), I be in my bag  
I be in my bag (When you talk to me), now, baby, I'm all in my bag (When you talk dirty back)  
Said when you talk like that, put that shit to work  
Make that kitty hurt, make that kitty squirt  
Tell me what's my name, make that kitty yearn  
Teach me how to jerk, make that kitty learn  
Uh, wait, who's your mama? Who's your daddy, lil' babe?  
He want a baddie, he want skinny with a fatty, um, waist  
Tell me how much you just want my body on you, babe  
Like the way you say it's yummy when I'm grindin' on your face  
Grindin' on your, wait, grindin' on your face  
Like the way you say it's yummy when I'm grindin' on your  
Gri-gri-grindin' on your face, ayy, grindin' on your face  
I like the way you say it's yummy when I'm grindin' on your face (When you talk dirty back)  
Talk like that (When you talk to me), I be in my bag  
I be in my bag, now, baby, I'm all in my bag (When you talk dirty back)  
Now, when you talk like that (When you talk to me), I be in my bag  
I be in my bag, now, baby, I'm all in my bag (When you talk dirty back)  
Now, when you talk like that (When you talk to me), I be in my bag  
I be in my bag (When you talk to me), now, baby, I'm all in my bag (When you talk dirty back)  
Now, when you talk like that (When you talk to me), I be in my bag  
I be in my bag (When you talk to me), now, baby, I'm all in my bag (When you talk dirty  
back) And I say hey, I don't know the way, I  
Don't know just how to say what's been all in my head, I  
Just wanna let you in 'cause I know you got good taste, and  
I love the way you taste, boy, tell me what you think, I  
I, I, I  
And I know you want me, now you got me  
Don't you play with it, get naughty  
Call you daddy, you call me mami  
You so crazy when you taunt me (Yeah)

And I say, yeah, talk like that  
All up in my ear when he want that wax  
Funny how the earrings are all intact  
Can't even hear when I moan like that  
Aw yeah, that's your fault  
With a lil' serious tone in fact  
Grab my hair with the eye contact  
Phone sex good, that's why I phone back, uh  
And you know that I pick up right when you call me  
Got your voice in my head, it's making me horny  
And I can't ever wake you up in the morning  
You know once they there, they ain't gonna be lonely  
Talk like that (When you talk to me), I be  
in my bag  
I be in my bag, now, baby, I'm all in my bag (When you talk dirty back)  
Now, when you talk like that (When you talk to me), I be in my bag  
I be in my bag, now, baby, I'm all in my bag (When you talk dirty back)  
Now, when you talk like that (When you talk to me), I be in my bag  
I be in my bag (When you talk to me), now, baby, I'm all in my bag (When you talk dirty back)  
Now, when you talk like that (When you talk to me), I be in my bag  
I be in my bag (When you talk to me), now, baby, I'm all in my bag (When you talk dirty) Will  
you talk to me?  
You must have it in you, I just like the way you think  
I'm open if you are, you know what it's gon' be  
Whisper to my soul, boy, I just like the way you speak  
Talk, talking to ya  
See baby, when I'm talk, talking to ya  
Baby, when I'm talk, talking to ya  
Baby, when I'm talk, talking to ya
