

Last Kiss

Pearl Jam

Oh where, oh where, can my baby be?
The Lord took her away from me
She's gone to heaven, so I've got to be good
So I can see my baby when I leave this world We were out on a date in my daddy's car
We hadn't driven very far
There in the road, straight ahead
A car was stalled, the engine was dead I couldn't stop, so I swerved to the right
I'll never forget the sound that night
The screamin' tires, the bustin' glass
The painful scream that I heard last
Oh where, oh where, can my baby be?
The Lord took her away from me
She's gone to heaven, so I've got to be good
So I can see my baby when I leave this world When I woke up the rain was pourin' down
There were people standin' all around
Something warm flowing through my eyes
But somehow I found my baby that night I lifted her head, she looked at me and said
"Hold me darling, just a little while"
I held her close, I kissed her our last kiss
I found the love that I knew I had missed
Well now she's gone even though I hold her tight
I lost my love, my life, that night
Oh where, oh where, can my baby be?
The Lord took her away from me
She's gone to heaven, so I've got to be good
So I can see my baby when I leave this world
