

Keep the Secret

Dune

Mmm mmm mmm mmmmm, keep the secret (2x)
You've got to keep the secret (2x) Trapped in silent golden wings
Secrets in a million ways
Read the symbols on the wall
Land of gods mystery
Tales been told to you and me
Kept in chains of fantasy Mmm mmm mmm mmmmm, keep the secret (2x)
You've got to keep the secret (2x)
For a thousand years and more
Everyone is searching for
Secrets in their history
All this happened long ago
All the stories that we know
History goes on and on Mmm mmm mmm mmmmm, keep the secret (2x)
You've got to keep the secret (2x)
Mmm mmm mmm mmmmm, keep the secret (2x)
