

# Talking to You (Is Like Talking to Myself)

Daryl Hall

Hall

I try, try to make it right  
But every day it's like it was a first night  
Sweet dreams  
Your dreaming doesn't matter  
When you're wide awake  
All the patterns scatter  
If you run away and don't listen to me  
You're only hurting on your own  
You see

Talking to you is like talking to myself  
(Talking to you is like talking to myself)  
Talking to you is like talking to myself  
(Talking to you is like talking to myself)  
You're sleeping in while there's a riot rollin' down  
(Talking to you is like talking to myself)  
Can't you understand we got a good thing goin' on  
Good thing goin'

I'm saying there's too much noise around  
You live behind a wall of unrelated sound  
Are you hearing me? Cause I couldn't tell  
Is it "Ooo yeah" or is it just "Oh well"

Talking to you is like talking to myself  
(Talking to you is like talking to myself)  
Talking to you is like talking to myself  
(Talking to you is like talking to myself)  
You're sleeping in while there's a riot rollin' down  
(Talking to you is like talking to myself)  
Can't you understand we got a good thing goin' on  
Good thing goin' on

Shine on prove to me  
Something real someone can see  
Is it sand or gold dust in my hand?

Talking to you is like talking to myself

(Talking to you is like talking to myself)  
Talking to you is like talking to myself  
(Talking to you is like talking to myself)  
You're sleeping in while there's a riot rollin' down  
(Talking to you is like talking to myself)  
Can't you understand we got a good thing goin' on

Can't you hear me? Can't you hear me?  
Talking to you is like talking to myself
