

# She Belongs to Me

[Ricky Nelson](#)

She's got everything she needs  
She's an artist she don't look back  
She's got everything she needs  
She's an artist she don't look back  
She can take the dark out of the nighttime  
Paint the daytime black

You may start out standing  
Probably steal her anything she sees  
You can start out standing  
Probably steal her anything she sees  
But you'll wind up peaking through a keyhole  
On your knees

She never stumbles  
Got no place to fall  
She never stumbles  
Got no place to fall  
She's nobody's child  
The law can't touch her at all

Bow down to her on Sunday  
Salute her when her birthday comes  
Bow down to her on Sunday  
Salute her when her birthday comes  
For Halloween buy her a trumpet  
For Christmas give her a drum
