

Smile

Avril Lavigne

You know that I'm a crazy bitch
I do what I want when I feel like it
All I wanna do is lose control
But you don't really give a shit
You don't let it go, let it go with it
'Cause you're fucking crazy rock & roll
You said "Hey, what's your name?"
It took one look and now I'm not the same
Yeah you said "Hey" and since that day
You stole my heart and you're the one to blame
And that's why I smile, it's been a while
Since every day and everything has felt this right
And now you turn it all around and suddenly you're all I need
The reason why I...
I smile...
Last night I blacked out I think
What did you, what did you put in my drink?
I remember making out and then
I woke up with a new tattoo
Your name was on me and my name was on you
I will do it all over again
You said "Hey, what's your name?"
It took one look and now I'm not the same
Yeah, you said "Hey" and since that day
You stole my heart and you're the one to blame
And that's why I smile, it's been a while
Since every day and everything has felt this right
And now you turn it all around
And suddenly you're all I need
The reason why I...
I smile...
The reason why I...
I smile...
You know that I'm a crazy bitch
I do what I want when I feel like it
All I wanna do is lose control
You know that I'm a crazy bitch
I do what I want when I feel like it
All I wanna do is lose control
And that's why I smile, it's been a while
Since every day & everything has felt this right
And now you turn it all around
And suddenly you're all I need
The reason why I...
I smile...
The reason why I...
I smile...
The reason why I...

I smile...
