

# Hey Gypsy

Bob Seger

Hey gypsy where you gonna go  
Hey gypsy where you gonna go  
I am tired of this waitin'  
I ain't gonna wait no more Hey mama I'm your baby boy  
Hey mama I'm your baby boy  
Let's head on home  
I'll give you your favorite toy We've been all over town  
Chasin' the crowds  
I'm getting kinda nervous cause the  
music's too loud  
Hey Gypsy where we gonna be  
This hard love livin'  
It's gettin' too much for me You keep on pushin' me around the clock  
I keep on fallin' and I can't get up  
You know I love you but enough's enough  
You move too fast girl you play too rough  
Hey gypsy here we are again  
Hey gypsy I'm your only friend  
You can treat me bad mama  
You'll never get another again
