## Bazzi

Reveal the secrets of your body  
You feel perfect when you on me now  
I don't want to leave you now, yeah  
Morning, we saw the night turn into morning  
Guess I gotta go right now  
Ten more minutes turn into an hour, yeah Wish I could stop the hands of time  
And lay right here for life Tell the truth  
They can't love you like I do  
And we both know that  
So wait until I'm back, yeah  
Overtime, I've been working overtime  
And when I'm done with that, yeah  
I'ma be right back  
Back, back, yeah  
Moment, I don't wanna waste this moment  
Lose myself when I'm inside of you  
I might wife you, I might make that move, oh  
When we're laying here  
Tight up in these sheets  
Look me in the eyes  
Say it's everything you need  
Girl, it's true  
We can, we can rendezvous  
Sex up on the beach in Malibu Wish I could stop the hands of time  
And lay right here for life  
Tell the truth  
They can't love you like I do  
And we both know that  
So wait until I'm back, yeah  
Overtime, I've been working overtime  
And when I'm done with that, yeah  
I'ma be right back  
Back, back, yeah Tell the truth  
They can't fuck you like I do  
And we both know that  
So I'ma be right back  
Back, back, yeah
