My Name is Mickey

I'm just playin'
But just about
Check out my nuts
(gorgeous)
There's no hair at all
(I think i'm gonna have to inspect those little balls)
Hmmm your's are different
That's kinda strange
(i have Louis Bittaum tattooed on mine)
What are you saying?
(mine have a Pink Weave)
And mine are small and white
Today i got a hair on mine for the very first time!
I hit puberty puberty puberty

I guess my voice just ain't as cute
Now that it's Lower..

Should have got my nut's removed
When i had the chance
I would do ANYTHING to sound like MJ again
I need a sex change

My voice went Down. down down downwwwww

I'm gonna bust a nut in your eye

I'm gonna make you cry little boy
And beg for it like a slut
I'm gonna gag you with my cock
And you will not be able to breathe
I'm gonna make you cough puke and dry heave
(Gorgeous)
I'll cover you with blush
Cum piss and soy sauce
And snap a photo of your naked butt
In front of toys R us
My gizz will make a puddle
In the curve of your back
It's gonna fuck up my pink weave
When my spanks make a splash

I hit puberty puberty puberty
Ohohohoh
I hit puberty puberty puberty
Noooooooooooooooo

I hit puberty puberty puberty
Ohohohoh
Everyone was SOOO surprised
(Louis Bittaum)
I hit puberty puberty puberty

They never thought that I'd hit mine!
