

Raise Your Glass

Brett Kissel

(Verse)

We had a long hard week, marching to the beat
Had to kiss the little bitter just to get to the sweet... part
But here we are, let's get it started
Let's saddle up, crank up this party
Get loose, get loud
Get ready everybody now

(Chorus)

Raise your glass
If you wanna have a good time, a good time
Raise your glass
And sip a little sunshine, sunshine
Catch a little buzz and get in the groove
Come on, come on, all you gotta do
Is raise your, raise your, raise your glass yea

(Verse)

You got your swerve on (check), your cheer on (check)
A pretty girl hand in around your neck (check)
So hot, this beat we're droppin
Here we go, there ain't no stopping
Get stupid, get crazy
Get em up now everybody

(Chorus)

Raise your glass
If you wanna have a good time, a good time
Raise your glass
And sip a little sunshine, sunshine
Catch a little buzz and get in the groove
Come on, come on, all you gotta do
Is raise your, raise your, raise your glass yea

(Bridge x2)

Oh oh oh oh
Reach for the sky
Oh oh oh oh
Throw em up high

(Chorus)
Raise your glass
If you wanna have a good time, a good time
Raise your glass
Come on and sip a little sunshine, sunshine
Catch a little buzz and get in the groove
Come on, come on, all you gotta do
Is raise your glass
If you wanna have a good time, a good time
Raise your glass
Come on and sip a little sunshine, sunshine
I said raise your glass
If you wanna have a good time, a good time
Said raise your, raise your, raise your glass yea
Na na na na na na na na...
If you wanna have a good time, a good time
Na na na na na na na na...
I said raise your glass
Na na na na na na na na...
Come on and have a good time
Na na na na na na na na...
Come on and sip a little sunshine yea
