

I'm Gonna Let It Go

Jason Gray

[Verse 1]

It's hard for me to let go, hard for me to breathe
Thinking that I gotta control it all
I can feel my worry and anxiety
When it's slipping through my fingers and I know it
I've been losing my sleep, I've been losing my cool
I can feel my heart go boom, boom, boom
Starin' at the ceiling, feeling like a fool
I'm going under and I know it

[Pre-Chorus 1]

But I hear You whisper to me
If I lose my grip I could see
That You are carrying me

[Chorus]

Oh, I'm gonna let it, I'm gonna let it go
Oh, 'cause if I trusted, I could move with Your flow
Being carried in the current of Your love
When I lean into Your arms, You're enough
So, I'm gonna let it, I'm gonna let it go

[Verse 2]

Time for me to let go, time for me to breathe
Knowing that He already holds it all
Time for me to turn down this anxiety
I can know my freedom in a moment
'Cause when I lay it all down, You gonna lift me up
When I pour it all out You gonna fill my cup
You're holding out Your arms and telling me to jump
One, two, three, here I go, yeah

[Pre-Chorus 2]

'Cause I hear You whisper to me
If I lose my grip I would see
That You're always carrying me

[Chorus]

Oh, I'm gonna let it, I'm gonna let it go
Oh, 'cause if I trusted, I could move with Your flow

Being carried in the current of Your love
When I lean into Your arms, You're enough
So, I'm gonna let it, I'm gonna let it go

[Bridge]

Letting go of my worries (Letting go of my worries)
For my need to control things (For my need to control things)
I'm gonna take You at Your word and (I'm gonna take You at Your word)
I'm gonna lay down all my burdens (All my burdens)
Letting go of my worries (Letting go of my worries)
For my need to control things (For my need to control things)
I'm gonna take You at Your word and
I'm gonna lay down all my burdens (All my burdens)

[Chorus]

Oh, I'm gonna let it, I'm gonna let it go
Oh, 'cause if I trusted, I could move with Your flow
Being carried in the current of Your love
When I lean into Your arms, You're enough
So, I'm gonna let it, I'm gonna let it go
