

# Hard to See

## Five Finger Death Punch

I'm growing so distant  
Nothing makes sense to me anymore  
I'm learning to resist  
Becoming more than you ever were Can't explain  
What's come over me  
Come over me  
Can't explain  
Why it's so hard for me  
So hard to see your side Projecting all my anger  
I can't seem to get this through to you  
The walls are closing in  
I dare you to walk in my shoes  
Can't explain  
What's come over me  
Come over me  
Can't explain  
Why it's so hard for me  
So hard to see your side Your side  
I won't see your side Can't explain  
What's come over me  
Come over me  
Can't explain  
Why it's so hard for me  
So hard to see your side  
Can't explain  
What's come over me  
Come over me  
Can't explain  
Why it's so hard for me  
So hard to see your side  
I won't see your side  
Your side
