

The Green And The Town

AJR

[Verse 1]

A year from now, we won't be pretty
A year from now, we won't be young
But we will live among the giants
Before the giants learn to run

[Bridge]

Now we are the blessed
Now we are the strong
Take my hand, and let me know
That it feels good
To feel at home

[Verse 2]

We would sail across the ocean
If cloudy skies should take our friends
And we will learn from the giants
Before the giants learn from them

[Bridge]

Now we are the blessed
Now we are the strong
Take my hand, and let me know
That it feels good
To feel at home

[Chorus]

What can I say
Without a say?
We've got a way to go
And what can I do
To get back to you
And help us to find a home
To search the Green and Town

[Verse 3]

A year from now
We won't be lovers
We'll just be suits and ties and shoes
And we will grow without our parents
