

# Surfin' (feat. Pharrell Williams)

Kid Cudi

It's a revolution  
Hmm, yea, hmm, yea  
Hmm, yea, yea, yea, yea  
He-ee-ey, he-ee-ey Now I ain't riding no waves  
Too busy making my own waves, baby  
I ain't riding no waves  
Too busy making my own waves, baby  
I ain't riding no waves  
Too busy making my own waves, baby  
I ain't riding no waves  
Too busy making my own waves, baby  
Surfing on my own wave, baby  
Surfing on my own wave, baby  
Surfing on my own wave, baby  
Surfing on my own wave  
Tonight is electrical  
I done told y'all, this the cinema  
I am on my Kubrick horn  
Like a Spielberg Close Encounter form  
Feeling awesome to be black, and I'm murking all competition  
Making what I want and that's a flex  
Can't do what you want, now ain't that a bitch?  
Slow up for no one when the show come  
Magical feel in my palms  
Rhythm go dumb with them hums  
Mhmm, mhmm, mhmm  
Now I ain't riding no waves  
Too busy making my own waves, baby  
I ain't riding no waves  
Too busy making my own waves, baby  
I ain't riding no waves  
Too busy making my own waves, baby  
I ain't riding no waves  
Too busy making my own waves, baby  
Surfing on my own wave, baby  
Surfing on my own wave, baby  
Surfing on my own wave, baby  
Surfing on my own wave The industry is so full of shit  
Welcome y'all to the enema  
Nah man that's subliminal  
Cause they insecure, they know who they are  
Feeling awesome to be black, and I'm murking all competition

Everything that I do is a flex  
If you don't get me, not my issue, bitch  
Slow up for no one when the show come  
Got the magic in my palms  
Rhythm go dumb with them hums  
Mhmm, mhmm, mhmm Now I ain't riding no waves  
Too busy making my own waves, baby  
I ain't riding no waves  
Too busy making my own waves, baby  
I ain't riding no waves  
Too busy making my own waves, baby  
I ain't riding no waves  
Too busy making my own waves, baby  
Surfing on my own wave, baby  
Surfing on my own wave, baby  
Surfing on my own wave, baby  
Surfing on my own waveAaaayy, aaaayy, aaay, aaayNow I ain't riding no waves  
Too busy making my own waves, baby  
I ain't riding no waves  
Too busy making my own waves, baby  
I ain't riding no waves  
Too busy making my own waves, baby  
I ain't riding no waves  
Too busy making my own waves, baby  
Surfing on my own wave, baby  
Surfing on my own wave, baby  
Surfing on my own wave, baby  
Surfing on my own waveAaaayy, aaaayy, aaay, aaayAaaay, aaay, nananaaay
