

# Ditmas

## Mumford & Sons

[Verse 1]

And in time  
As one reminds the other of the past  
A life lived much too fast to hold onto  
How am I losing you?

A broken house  
Another dry month waiting for the rain  
And I had been resisting this decay  
I thought you'd do the same

[Hook]

But this is all I ever was  
And this is all you came across those years ago  
Now you go too far  
Don't tell me that I've changed because that's not the truth  
And now I'm losing you

[Verse 2]

Fragile sound  
The world outside just watches as we crawl  
Crawl towards a life of fragile lines  
And wasted time

And so I cry  
As I hold you for the last time in this life  
This life I tried so hard to give to you  
What would you have me do?

[Hook]

But this is all I ever was  
And this is all you came across those years ago  
Now you go too far  
Don't tell me that I've changed because that's not the truth  
And now I'm losing you

[Bridge]

Where I used to end was where you start  
You were the only one  
And now I see your eyes move too fast

You were the only one

[Verse 3]

Careful hands

And wandering without that much to say

Your words are empty as the bed we made

Is there another way?

Oh love, is there another way?

[Hook]

But this is all I ever was

And this is all you came across those years ago

Now you go too far

Don't tell me that I've changed because that's not the truth

And now I'm losing you

And now I'm losing you

[Outro]
