

# Daylight

Coldplay

To my surprise  
And my delight  
I saw a sunrise  
I saw a sunlight I have nothing  
In the dark  
And the clouds burst  
To show the daylight Ooh and the sunshine  
Yeah on a starry night  
Ooooh and I realized  
Who cannot live without  
Who come apart without  
On a hill top  
On the sky rise  
Like a first born  
Child On a full day  
On a full flight  
I feel darkness  
In the daylight  
Ooh and the sunshine  
Yeah on a starry night  
Ooooh and I realized  
Who cannot live without  
Who come apart without  
Daylight  
Slowly breaking through the daylight...
