

# Goodbye Goodnight

Andra Day

I never thought you and me wouldn't last  
And I never thought time would pass us  
Cuz all of our lives, all of our lives it's been  
Me and you (me and you),  
me and you (me and you),  
me and you (you, goodbye) Goodbye, goodnight my love  
(We tried)

We tried, is it time to give up  
Oh we know (we know, we know) our seasons done  
(Passion)

Passion served its' time with us  
(Served its time)

Served its' time with us  
Goodbye goodnight my love  
Be well, farewell my love  
Goodbye, goodnight my love  
And I truly hate to say it  
but these feelings ain't coming back  
Time played a cruel joke on us  
It told us that

Love would grow (it would grow),  
love would grow (it would grow),  
love would grow (grow, goodbye) Goodbye, goodnight my love  
(We tried)

We tried, is it time to give up  
Oh we know (we know, we know) our seasons done  
(Passion)

Passion served its' time with us  
(Served its time)

Served its' time with us  
Goodbye goodnight my love  
Be well, farewell my love  
Goodbye, goodnight my love  
Don't want to assume, don't know what to do  
Forever's so long, I could be wrong  
I can't really say, there may come a day  
When we know we both had it all
