

# Please Be Mine

## Jonas Brothers

They come and go but they don't know  
That you are my beautiful  
I try to come closer with you  
But they all say we won't make it through But I'll be there forever  
You will see that it's better  
Our hopes and our dreams will come true  
I will not disappoint you  
I will be right there for you 'til the end  
The end of time  
Please be mine I'm in and out of love with you  
Trying to find if it's really true  
Oh no no no no  
How can I prove my love  
If they all think I'm not good enough  
But I'll be there forever  
You will see that it's better  
Our hopes and our dreams will come true  
I will not disappoint you  
I will be right there for you 'til the end  
The end of time  
Please be mine I can't stop the rain from falling  
Can't stop my heart from calling you  
It's calling you  
I can't stop the rain from falling  
Can't stop my heart from calling you  
It's calling you (I can't stop the rain)  
I can't stop the rain from falling  
I can't stop my heart from calling you  
It's calling you  
But I'll be there forever  
You will see that it's better (much better...)  
Our hopes and our dreams will come true (will come true...)  
I will not disappoint you (oh... no...)  
I will be right there for you 'til the end  
The end of time  
Please be mine
