

# I Do Not Hook Up

Kelly Clarkson

Oh, sweetheart put the bottle down  
You've got too much talent  
I see you through those bloodshot eyes  
There's a cure, you've found it  
Slow motion sparks, you've caught that chill  
Now don't deny it  
But boys will be boys, oh, yes they will  
They don't wanna define it  
Just give up the game and get into me  
If you're looking for thrills then get cold feet  
Oh, no I do not up, up I go slow  
So if you want me I don't come cheap  
Keep your hand in my hand and your heart on your sleeve  
Oh, no I do not up, up I fall deep  
'Cause the more that you try the harder I'll fight to say goodnight  
I can't cook, no, but I can clean  
up the mess she left  
Lay your head down and feel the beat as I kiss your forehead  
This may not last but this is now, so love the one you're with  
You wanna chase but you're chasin' your tail  
A quick fix won't ever get you well  
Oh, no I do not up, up I go slow  
So if you want me I don't come cheap  
Keep your head on my hand and your heart on your sleeve  
Oh, no I do not up, up I fall deep  
'Cause the more that you try the harder I'll fight to say  
'Cause I feel the distance between us  
Could be over with the snap of your finger  
Oh, no I do not up, up I go slow  
So if you want me I don't come cheap  
Keep your head on my hand and your heart on your sleeve  
Oh, no I do not up, up I fall deep  
'Cause the more that you try the harder I'll fight to say  
'Cause the more that you try the harder I'll fight to say goodnight  
Oh, sweetheart put the bottle down 'cause you don't wanna miss out
