

Let the Games Begin

AJR

[Intro]

Let the games begin

Let the games begin

[Verse 1: Ryan]

Passed out, all my friends went and passed out

So much for the night

Last round for A.M. lovers

That's how I come alive

[Pre-Chorus: Jack]

I'm gonna be a people person in a room of people-people

Imma keep on running this shit

Let the games begin

A people person in a room of people-people

Imma be the kid for the win

Let the games begin

[Chorus: All]

Let the games begin

Let the games begin

Let the games begin

Let the games begin, ayah

Let the games begin, ayah

Let the games begin

[Verse 2: Adam]

Cab ride, just up here on the right side

Two more for the road

Sometimes when that game hits the wrong vibe

You take it home

[Pre-Chorus: Jack]

I'm gonna be a people person in a room of people-people

Imma keep on running this shit

Let the games begin

A people person in a room of people-people

Imma be the kid for the win

Let the games begin

[Chorus: All]
Let the games begin
Let the games begin
Let the games begin
Let the games begin, ayah
Let the games begin, ayah
Let the games begin

[Post-Chorus: Jack]
Keep on running this shit
Be the kid for the win, singing, ayah
Let the games begin

[Drop]

[Pre-Chorus: Jack]
A people person in a room of people-people
Imma keep on running this shit
Let the games begin
A people person in a room of people-people
Imma be the kid for the win
Let the games begin (go), ayah

[Chorus]
Let the games begin, ayah
Let the games begin (let the games begin)
Keep on running this shit
Be the kid for the win, singing, ayah
Let the games begin
