

# I'd Rather Be With You

Joshua Radin

Sitting here  
on this  
lonely dock  
Watch the rain  
play on the ocean top All the things I feel I  
need to say  
I can't explain in any other way  
I need to be bold  
Need to jump in the cold water  
Need to grow older with a girl like you  
Finally see you are naturally  
The one to make it so easy when you show me the truth  
Ye.ah,  
I'd rather be with you Say you want the same thing too  
Now here's the sun  
come  
to dry the rain  
Warm my shoulders and relieve my pain  
You're the one thing that I'm  
missing here  
With you beside me  
I no longer fear  
I need to be bold  
Need to jump in the cold water  
Need to grow older with a girl like you  
Finally see you are naturally  
The one to make it so easy  
When you show me the truth  
Yeah,  
I'd rather be with you  
Say you want the same thing too  
I could have saved so much time  
for us  
Had I seen the way  
to get to where I am today  
You waited on me for so long  
So now,  
listen to me say:  
I need to be bold  
Need to jump in the cold water  
Need to grow older with a girl like you  
Finally see you are naturally

The one to make it so easy  
When you show me the truth  
Yeah,  
I'd rather be with you  
Say you want the same thing too Say you feel  
the way I do
