

Rock Star

Hannah Montana

[Verse 1]

Sometimes I walk a little faster in the school hallway
Just to get next to you
Some days I spend a little extra time in the morning
Dress to impress you

[Pre-Chorus 1]

Guess you don't notice
Guess you don't need this
Sad, you're not seeing what you're missing
On the outside shying away
On the inside dying to say

[Chorus]

I'm unusual, not so typical
Way too smart to be waiting around
Tai Chi practicing, snowboard champion
I could fix the flat on your car
I might even be a rockstar
I might even be a rockstar

[Verse 2]

Sometimes I wish when the phone rings
That it would be you saying, "Let's hang out"
Then you confess that there's something special
Between us, why don't we find out?

[Pre-Chorus 2]

But you don't even know me
Guess you don't need me
Why you're not seeing what you're missing?
On the outside shying away
On the inside dying to say (Whoo)

[Chorus]

I'm unusual, not so typical
Way too smart to be waiting around
Tai Chi practicing, snowboard champion
I could fix the flat on your car

I might even be a rockstar

[Bridge]

If you only knew the real me

I might even be a rockstar

I'm telling you that we are meant to be
That wouldn't it be nice if you could see

That I really am a rockstar

Yeah-yeah! (Whoo!)

Yeah, I really am a rockstar

Hey, hey, hey

[Breakdown]

(Whoo!)

Ha, a rockstar

[Chorus]

I'm unusual, not so typical

Way too smart to be waiting around

Tai Chi practicing, snowboard champion

I could fix the flat on your car

Rocking it wherever we are

Yeah, yeah, 'cause I really am a rockstar

'Cause I really am a rockstar

[Outro]

I am a rockstar

Whoa

Yeah

Goodnight, everybody!
