

Love in the Dark

Adele

Take your eyes off me so I can leave
I'm far too ashamed to do it with you watching me
This is never ending, we have been here before
But I can't stay this time cause I don't love you anymore Please stay where you are
Don't come any closer
Don't try to change my mind
I'm being cruel to be kind I can't love you in the dark
It feels like we're oceans apart
There is so much space between us
Maybe we're already defeated
Ah-yeah-yeah-yeah-yeah-yeah everything changing You have given me something I can't
live without
You mustn't underestimate that when you are in doubt
But I don't want to carry on like everything is fine
The longer we ignore it all the more that we will fight
Please don't fall apart
I can't face your breaking heart
I'm trying to be brave
Stop asking me to stay I can't love you in the dark
It feels like we're oceans apart
There is so much space between us
Maybe we're already defeated
Ah-yeah-yeah-yeah-yeah-yeah everything changing We're not the only ones
I don't regret a thing
Every word I've said
You know I'll always mean
It is the world to me
That you are in my life
But I want to live
And not just survive
That's why I can't love you in the dark
It feels like we're oceans apart
There is so much space between us
Maybe we're already defeated
Ah-yeah-yeah-yeah-yeah-yeah everything changed me I-I-I-I don't think you can save me
