

# Don't Let Go

Weezer

[Intro]

Ooh oh oh

Ooh oh oh

[Verse 1]

Any time that you want

I'll be here in your arms

Silently holding on

To the girl with the charms

[Pre-Chorus]

But if there comes a day

You should turn your heart away

I'll be down on my knees

Begging for that girl to stay

[Hook]

Don't let go

Ooh oh oh

Don't let go

Ooh oh oh

[Verse 2]

Anything you desire

I will set at your feet

With a kiss in the air

For the gods to receive

[Pre-Chorus]

But if there comes a day

You should turn your heart away

I'll be down on my knees

Begging for that girl to stay

[Bridge]

Confrontations in my mind

Got me running out of time

[Hook]

Don't let go

Ooh oh oh  
Don't let go  
Ooh oh oh

[Pre-Chorus]

But if there comes a day  
You should turn your heart away  
I'll be down on my knees  
Begging for that girl to stay

[Bridge]

Confrontations in my mind  
Got me running out of time

[Hook]

Don't let go  
Ooh oh oh  
Don't let go  
Ooh oh oh  
Don't let go  
Ooh oh oh  
Don't let go
