I talk grey, I don't keep it white and black

Only say "I love you" just so I can hear it back

Sometimes, other times I'd love to have you back

Can't think of a night that we ain't turn up to the max

To the max, no

Like the album just went platinum, yeah

Turnt up to the max

If they pop somebody's chain then we gotta get it back

No discussion to be had, we ain't goin' out like that

Man, we lit My youngins lit

All of my youngins, yeah we lit

My youngins lit

All of my youngins, yeah we lit

My youngins lit

All of my youngins, yeah we lit

My youngins lit

All of my youngins, yeah we lit

Oh, 'fessions to, I do, I, I do

Back it up, back it up

Back it up, back it up, back it up

Oh, oh, fessi-ession 'fessions too

Back it up, back it up

Back it up, back it up, back it up

Oh, oh, 'fessions to, I do, I, I too

Oh, oh, fessi-ession, do come true

Back it up, back it up

Back it up, back it up, back it up  
Get 'em right, get 'em right  
Get 'em right, get 'em right  
Yeah  
Get 'em right  
Got it on the dresser, I've been under pressure  
They wanna see me laid out on a stretcher  
Gotta keep my head up  
Get 'em right, get 'em right  
Excuse me, Gus  
Now all of a sudden, people say we cousins  
I keep hearin' all this "You my brother" talk, I can't relate to nothin'  
My broski down to ride  
Made a knot in the line  
You can never break ties  
We don't really rate those yutes there  
That's a whole other side  
That's a whole 'nother vibe  
They ain't really on shit, yeah  
All of my youngins, yeah we lit  
My youngins lit  
All of my youngins, yeah we lit  
My youngins lit  
All of my youngins, yeah we lit  
My youngins lit  
All of my youngins, yeah we lit  
My youngins lit  
All of my youngins, yeah we lit  
Oh, 'fessions to, I do, I, I do  
Back it up, back it up  
Back it up, back it up, back it up  
Oh, oh, fessi-ession 'fessions too  
Back it up, back it up  
Back it up, back it up, back it up  
Oh, oh, 'fessions to, I do, I, I too  
Back it up, back it up  
Back it up, back it up, back it up  
Oh, oh, fessi-ession, do come true  
Back it up, back it up  
Back it up, back it up, back it up  
All of my youngins, yeah we lit  
My youngins lit  
All of my youngins, yeah we lit  
My youngins lit  
All of my youngins, yeah we lit  
My youngins lit  
All of my youngins, yeah we lit  
My youngins lit  
All of my youngins, yeah we lit

Oh, 'fessions to, I do, I, I do  
Oh, oh, fessi-ession 'fessions too  
Oh, oh, 'fessions to, I do, I, I too  
Oh, oh, fessi-ession, do come true  
Get 'em right, get 'em right  
More chune pon your head top  
Get 'em right, get 'em right  
Get 'em right, get 'em right  
Get 'em right, get 'em right  
Watch how you speak on my name, you know?  
Get 'em right, get 'em right  
Get 'em right, get 'em right  
Get 'em right, get 'em right
