

Heartache On the Big Screen

5 Seconds of Summer

Started out like in the movies.
But it ended like a bad dream.
Curtain opened, heard the crowd roar
This one's a repeat, seen it before. Rewind to the start before it all went wrong.
Whats going on?
Fast forward to the end, after everyone's gone home.
And they've forgotten it all. This ain't a movie that I wanna see.
A tragic story, starring you and me.
Yell "cut", we're stuck inside this scene.
This is heartache on the big screen!
The clock is ticking, and I'm out of time.
The camera's rolling, and I forgot my line.
My script is ripped now I see.
This is heartache on the big screen!
This is heartache on the big screen!
Curtain closes on this cliché.
A good story of a bad day.
Back to square one, where I started.
As I stand here, broken hearted. Fast forward to the end, after everyone's gone home.
And they've forgotten it all. This ain't a movie that I wanna see.
A tragic story, starring you and me.
Yell "cut", we're stuck inside this scene.
This is heartache on the big screen!
The clock is ticking, and I'm out of time.
The camera's rolling, and I forgot my line.
My script is ripped now I see.
This is heartache on the big screen! If Hollywood could see me now,
I'd get the starring role
But they won't so I'll just keep on acting a fool.
This ain't a movie that I wanna see.
A tragic story, starring you and me.
Yell "cut", we're stuck inside this scene.
Yeah!
The clock is ticking, and I'm out of time.
The camera's rolling, and I forgot my line.
My script is ripped now I see.
This is heartache on the big screen!
This is heartache on the big screen!
This is heartache on the big screen!
