

Hero (feat. Christina Perri)

Cash Cash

I let myself all into you
I never thought I'd fall right through
I fell for every word you said
You made me feel i needed you
And forced my heart to think it's true
But I've found I'm powerless with you Now I don't need your wings to fly
Nooo I don't need your hand to hold in mine this time
You held me down but I broke free
I've found love inside of me
Now I don't need a hero to survive
Cause I already saved my life
Cause I already saved my life I fell into your fantasy
That's all our love will ever be
Last hope in saving you and me
You think I'm lost, falling apart
But your lies just made a stronger heart
My life is just about to start Now I don't need your wings to fly
Nooo I don't need your hand to hold in mine this time
You held me down but I broke free
I've found love inside of me
Now I don't need a hero to survive
Cause I already saved my life Already saved my life
I already saved my life
Already saved my life
I already saved my life
Now I don't need your wings to fly
Nooo I don't need your hand to hold in mine this time
You held me down but I broke free
I've found love inside of me
Now I don't need a hero to survive
Cause I already saved my life
Already saved my life
I already saved my life
Already saved my life
I already saved my life
Now I don't need your wings to fly
