

I Can't Get Enough

benny blanco, Tainy, Selena Gomez & J Balvin

[Intro: Selena Gomez]

Crazy

I like that, you like that, so let's be crazy

The contact, impact, I want that daily

Our breath getting deeper, deeper, lately

I like that, baby [Chorus: Selena Gomez]

'Cause I can't get enough

Yeah, I can't get enough

Yeah, I can't get enough of your love

Give me some more, I love it

I can't get enough, yeah

'Cause I can't get enough

[Verse: J Balvin]

(Leggo')

Dice que no le es suficiente (Wuh)

'Tá mal de la mente (Yah)

Cuando está solita que entre (Eh)

Música para ponerla en ambiente, yeh-yeah

Ella quiere que lo hagamo' como aquella ve' (Yah)

Le busqué otro trago por si tenía sed (Uh)

To' lo que se pone bonito se le ve (Bonito se le ve)

Empezamo' a pie y ahora andamo' en el je' (Wuh) [Pre-Chorus: J Balvin]

Vamo' a calentar

Baby, tú va' a subir y a bajar

No se quiere olvidar, lo quiere recordar

Baby, yo quiero entrar

[Chorus: Selena Gomez & J Balvin]

'Cause I can't get enough (Yah)

Yeah, I can't get enough (Yah, Latino gang)

Yeah, I can't get enough of your love

Give me some more, I love it

I can't get enough, yeah (Come on)

'Cause I can't, can't [Refrain: Selena Gomez]

Crazy

I like that, you like that, so let's be crazy

The contact, impact, I want that daily

Our breath getting deeper, deeper, lately

I like that, baby (Yeah) [Bridge: Selena Gomez & J Balvin]

Uuh, no one's gotta know, we can keep it lowkey

I'll be fine alone, long as you're alone with me (Tell 'em)

So incredible, unforgettable on me

Keep your body on me (Leggo', leggo', Tainy, come on) [Chorus: Selena Gomez, J Balvin, Both]

'Cause I can't get enough (Benny, Benny Blanco)
Yeah, I can't get enough (J Balvin, men; Selena)
Yeah, I can't get enough of your love
Give me some more, I love it
I can't get enough, yeah
'Cause I can't get enough
