

We Never Change

Coldplay

I want to live life, and never be cruel
And I want to live life, and be good to you
And I want to fly, and never come down
And live my life, and have friends around We never change, do we?

No, no.

We never learn, do we?

So I want to live in a wooden house I want to live life, and always be true
And I want to live life, and be good to you
And I want to fly, and never come down
And live my life, and have friends around
We never change, do we?

No, no.

We never learn, do we?

So I want to live in a wooden house
Where making more friends would be easy Oh and I don't have a soul to save
Yes and I sin every single day.

We never change, do we?

We never learn, do we?

So I want to live in a wooden house
Where making more friends would be easy
I want to live where the sun comes out.
