

# False Alarms

Noah Reid

Don't know how it happened but I am all shook up  
Cause I can see you dance with another man and  
It's in my head you got to know you can cut her up

Now I am trying to figure out where to stand yeah

Do I wanna fall in love with you  
I wanna fall in love with you  
Yeah but I don't wanna fall in love with you  
If I am going to fall apart with you

I don't know a lot but I tell you what  
I used to be immune to you but I am not anymore  
Well in my head  
I can try to lie, I can try to bluff  
Or I can try to dance with you instead

But I wanna fall in love with you  
I wanna fall in love with you  
Yeah but I don't wanna fall in love with you  
If I am going to fall apart with you  
With you, with you...

So what would you pick if you had to choose  
Between taking a risk and playing safe  
Cause I will say I don't wanna play if I am gonna lose  
I don't wanna lose cause I didn't play  
Yeah  
I tell you something that you didn't know  
I could get used to having you around  
Baby in my arms  
How does the old expression go  
It's something about setting off false alarms

But I wanna fall in love with you  
I wanna fall in love with you, with you, with you  
Yeah but I don't wanna fall in love with you  
If I am going to fall apart with you

With you, with you...
