## Coldplay

Come on, oh my star is fading  
And I swerve out of control  
And if I, oh if I'd only waited  
I'd not be stuck here in this hole  
Come here, oh my star is fading  
And I swerve out of control  
And I swear I waited and waited  
I've got to get out of this hole  
But time is on your side  
It's on your side, now  
Not pushing you down  
And all around  
It's no cause for concern  
Come on, oh my star is fading  
And I see no chance of release  
And I know I'm dead on the surface  
But I am screaming underneath  
And time is on your side  
It's on your side, now  
Not pushing you down  
And all around  
Oh, it's no cause for concern  
Stuck on the end of this ball and chain  
And I'm on my way back down again  
Stood on the edge  
Tied to a noose  
Sick to the stomach  
You can say what you mean  
But it won't change a thing  
I'm sick of the secrets  
Stood on the edge, tied to the noose  
She came along and she cut me loose  
You came along and you cut me loose  
You came along and you cut me loose
