

Living and Living Well

George Strait

Had a nice little life
A little boat, a little beach
A little routine I liked
A blue ocean view
Free to go with the flow
Anywhere that I wanted to
But the moment you set foot on my shore
That's when I knew. There's a difference in
Living and living well
You can't have it all
All by yourself
Something's always missing
'Til you share it with someone else
There's a difference in living and living well.
'Til you sailed with me
Thought that I had it good
As good as it could be
From the back of my deck
Caught a fish, caught a breeze
And a thousand red sunsets
But sitting here with you girl I just saw
The best one yet. There's a difference in
Living and living well
You can't have it all
All by yourself
Something's always missing
'Til you share it with someone else
There's a difference in living and living well.
My days are brighter
My sky a deeper blue
My nights are sweeter
When I'm with you. There's a difference in
Living and living well
You can't have it all
All by yourself
Something's always missing
'Til you share it with someone else
There's a difference in livin'.
I thought I was living.
There's a difference in living and living well.
