## Imagine Dragons

[Verse 1]

Oh, pretty baby, you're my motivator  
Got me changing my words and my behavior  
Pretty lady, you're my operator  
Got me dialing your number just to hear ya[Pre-Chorus]  
Tell me the things that you want  
I give you all that I've got  
Open your eyes, then you will see

[Chorus]

It's just you and me

Only

Throwing out the key

Just living in a dream

It's just you and me

Only

Listen to you breathe

Just living in a dream

It's just you and me[Verse 2]

My disaster, you're my only answer

You got me thinking that I could be your master (that I could be your master)

Pretty baby, you're my heavy ocean

Bring me down and give me your devotion

[Pre-Chorus]

Tell me the things that you want (You want)

I give you all that I've got (I've got)

Open your eyes, then you will see[Chorus]

It's just you and me

Only

Throwing out the key

Just living in a dream

It's just you and me

Only

Listen to you breathe

Just living in a dream

It's just you and me[Bridge]

Take, take me over

Yeah, take me over

I don't wanna wake up

It's just you and me

Take, take me over

Yeah, take me over

I don't wanna wake up

It's just you and me  
Dream, dream, dream, dream world  
Dream, dream, dream, dream world  
Take, take me over  
Yeah, take me over  
I don't wanna wake up, wake up, wake up, wake up[Chorus]  
Listen to you breathe  
Just living in a dream  
It's just you and me  
Only  
Throwing out the key  
Just living in a dream  
It's just you and me[Outro]  
Dream, dream, dream, dream world  
It's just you and me  
Dream, dream, dream, dream world  
Only
