

All That Matters

Justin Bieber

Oh oh
just as sure as the stars in the sky
I need you to show me the light
Not just for the meanwhile
for a long long time
Better believe it
Oh oh
whenever you're not in my presence
It feels like I'm missing my blessings
Yeah
So I sleep through the daylight
stay awake all night
'Til you're back again
oh yeah yeah
You think I'm biased
To my significant other
You hit it right on the head
Only been missing my lover
Got a whole lotta texts on my phone and I don't reply
The next eight bars tell you why
You're all that matters to me
yeah yeah
Ain't worried about nobody else
If it ain't you, I ain't myself
You make me complete
You're all that matters to me
yeah yeah
What's a king bed without a queen
There ain't no "I" in team
You make me complete
You're all that matters to me
Get the gas out the car it won't drive
That's how I feel when you're not by my side
When I wake up in the morning up under you and only you
Oh oh
grateful for your existence
Faithful no matter the distance
You're the only girl I see
From the bottom of my heart, please believe
You're all that matters to me
Yeah yeah
Ain't worried about nobody else

If it ain't you, I ain't myself
You make me complete
You're all that matters to me
yeah, yeah
What's a king bed without a queen
There ain't no "I" in team
You make me complete
You're all that matters to me
Yeah, yeah
yeah, yeah
You're all that matters to me
Yeah, yeah
yeah, yeah
You're all that matters to me
