

# Much Better

## Jonas Brothers

I get a rep for breakin' hearts  
Now I'm done with superstars  
And all the tears on her guitar  
I'm not bitter  
But now I see  
Everything I'd ever need  
Is the girl in front of me  
She's much better You  
I wanna fly with  
You  
Tear up the sky with  
You  
You're much better  
You  
I wanna fight with  
You  
Make up tonight with  
You  
You're much better  
Now I've got some enemies  
And they're all friends suddenly  
BFF's eternally  
But I'm not bitter  
I believe that the road that people lead  
Helps you find the one you need  
You're much better  
Yeah You  
I wanna fly with  
You  
Tear up the sky with  
You  
You're much better  
You're much better, girl  
You  
I wanna fight with  
You  
Make up tonight with  
You  
You're much better  
Ooh, Yeah  
[saxophone/guitar solo] You  
I wanna fly with

You  
Tear up the sky with you  
You  
Oh, You're much better  
You  
I wanna fight with you  
You  
Make up tonight with you  
You  
Oh-oh, You're much better  
You're much better, girlOoh-ooh-hoo (You)  
Yow  
You  
I wanna fight with you  
You  
Oh-oh-oh (You're much better)  
You're much better, girl  
OhYou  
You  
You  
You're much better  
You  
You  
You  
You're much better
