I Remember (Instrumental)

deadmau5 & Kaskade

Feeling the past moving in
letting a new day begin
hold to the time that you know
you don't have to move on to let goAdd to the memory you keep
remember when you fall asleep
hold to the love that you know
you don't have to give up to let goRemember turning on the night
and moving through the morning light
remember how it was with you

remember how you pulled me throughI remember

I rememberFeeling the past moving in

letting a new day begin

hold to the time that you know

you don't have to move on to let goadd to the memory you keep remember when you fall asleephold to the love that you knowyou don't have to give up to let go remember how it was with you

remember how you pulled me through

I remember

Feeling the past moving in

letting a new day begin

hold to the time that you know

you don't have to move on to let goadd to the memory you keep

remember when you fall asleep

hold to the love that you know

you don't have to give up to let goRemember turning on the the night

and moving through the morning light

remember how it was with you

remember how you pulled me through
