

# How Do I Breathe

Mario

[Verse 1]

How do I breathe?  
How do I breathe?  
It feels so different being here  
I was so used to being next to you  
Life for me is not the same  
There's no one to turn to  
I don't know why I let it go too far  
Starting over - it's so hard  
Seems like everywhere I try to go  
I keep thinking of you

[Pre-Chorus]

I just had a wake up call  
Wishing that I never let you fall  
Baby you are not to blame at all  
When I'm the one that pushed you away  
Baby if you knew I cared  
You'd have never went nowhere (nowhere)  
Girl I should've been right there

[Chorus]

How do I breathe  
Without you here by my side?  
How will I see  
When your love brought me to the light?  
Where do I go  
When your heart's where I lay my head?  
When you're not with me  
How do I breathe?  
How do I breathe?

[Verse 2]

Girl I'm losin' my mind  
Yes I made a mistake  
I thought that you would be mine  
Guess the joke was on me  
I miss you so bad, I can't sleep  
I wish I knew where you could be  
Another dude is replacing me

God this can't be happening

[Pre-Chorus]

I just had a wake up call (call)  
Wishing that I never let you fall (fall)  
Baby you are not to blame at all  
When I'm the one that pushed you away  
Baby if you knew I cared (cared)  
You'd have never went nowhere (nowhere)  
Girl I should've been right there

[Chorus]

(And I wonder...)  
How do I breathe  
Without you here by my side?  
How will I see  
When your love brought me to the light?  
Where do I go  
When your heart's where I lay my head?  
When you're not with me (I'm saying)  
How do I breathe?  
How do I breathe?

[Bridge]

I should've brought my love home, girl  
And baby I ain't perfect, you know  
The grind has got a tight hold  
Girl come back to me  
Cause girl you made it hard to breathe  
When you're not with me

[Chorus]

(Tell me)  
How do I breathe  
Without you here by my side?  
How will I see  
When your love brought me to the light?  
Where do I go (where do I, where do I go)  
When your heart's where I lay my head?  
When you're not with me  
How do I breathe?

How do I breathe (How do I breathe)?

Without you here by my side?  
How will I see (how will I see)  
When your love brought me to the light (baby, baby)?  
Where do I go (where do)  
When your heart's where I lay my head?

When you're not with me (you're not with me)  
How do I breathe (How do I breathe)?  
How do I breathe?
