

# Never

## Heart

Whoa whoa whoa whoa  
Whoa whoa whoa whoa Hey baby I'm talkin to you  
Stop yourself and listen  
Some things you can never choose  
Even if you try, yeah  
You're banging your head again  
Cause somebody won't let you in  
One chance, one love, your chance to let me know We can't go on just running away  
If we stay any longer we will surely Never get away.  
Whoa, anything you want we can make it happen  
Stand up and turn around Never let them shoot us down  
Never!  
Never!  
Never!  
Never run away.  
Hey baby you know it's true, why you bother lying  
When you know that, that you want it to  
Don't you dare deny me  
Now walk those legs right over here  
Give me what I'm dying for.  
One chance, one love, your chance to let me know. We can't go on just running away  
If we stay any longer we will surely Never get away.  
Whoa, anything you want we can make it happen  
Stand up and turn around Never let them shoot us down  
Never!  
Never!  
Never!  
Never run away. (guitar solo)  
Hey baby I'm talkin to you  
Stop yourself and listen  
Some things you can never ever do  
Even if you try yeah  
You're banging your head again  
Cause somebody won't let you in.  
One chance, one love  
Hold me down, never let me go Never! (No never)  
Never! (No) We can't go on.  
Never!  
We can't go on.  
Never!  
Whoa
