

# Visions of China

## The Lumineers

Twisted sidewalks  
Female taxi drivers  
Dirty fingers  
Pink houses light up  
And if there's just one thing you wanted to see  
I suggest you keep looking  
Oooh  
Aahh  
Find out for once. [x3]  
Count the bikes  
Strange violin  
But a price  
Smoking inside  
Stray cat walks  
Broken English  
Chairman's eye  
Living billions  
And if there's just one thing you wanted to see  
I suggest you keep looking  
Oooh  
Aahh  
Find out for once. [x3]
