

# FOOLISH

MEGHAN TRAINOR

[Verse 1]

I was like, "Hi, nice to meet ya"  
I could see me in your T-shirt  
I could hear love from the speakers  
I could see us in front of a preacher  
Saying "I do" in my white dress  
Fell so deep, I need a life vest  
It don't usually happen like this  
Nah nah, nah nah (Whoa)[Pre-Chorus]  
And I knew, I knew, I knew, I knew, I knew  
Knew I had to lock it down  
Lock it down, lock it down  
I said I knew, I knew, I knew, I knew, I knew  
Knew I had to lock it down  
Lock it down, lock it down (Uh)

[Chorus]

They say that fools rush in  
But I, oh I, I wanna be foolish with you  
I wanna be foolish with you  
They say that fools rush in  
But I, oh I (Hey), I wanna be foolish with you  
I wanna be foolish with you (Whoa)[Verse 2]  
This ain't no one night stand  
Want yo picture on my nightstand  
Be my lover, be my best friend  
Put that bling bling on my left hand  
Saying, "What kinda love you gon' put on me?"  
'Cause your last name sounds good on me"  
"What kinda love you gon' put on me?"  
'Cause your last name sounds good on me"

[Pre-Chorus]

And I knew, I knew, I knew, I knew, I knew  
Knew I had to lock it down  
Lock it down, lock it down[Chorus]  
They say that fools rush in  
But I, oh I, I wanna be foolish with you (Foolish with you)  
I wanna be foolish with you (Say it again, say it)  
They say that fools rush in  
But I, oh I (Oh I), I wanna be foolish with you (Foolish with you)  
I wanna be foolish with you (Come on, say)[Post-Chorus]  
They say that fools rush in (They say fools rush in, but I wanna be)  
But I, oh I, I wanna be foolish with you (Foolish with you)

I wanna be foolish with you (Foolish with you)  
They say that fools rush in (They say fools rush in, but I wanna be)  
But I, oh I, I wanna be foolish with you (Foolish with you)  
I wanna be foolish with you (Foolish with you) (Oh, say)[Bridge]  
Oh, they say fools rush in (But I)  
I wanna be foolish with you  
They say (Fools rush in)  
But I wanna be foolish with you (Hey, yeah)[Chorus]  
They say that fools rush in  
But I, oh I, I wanna be foolish with you (Foolish with you)  
I wanna be foolish with you (Oh)  
They say that fools rush in  
But I, oh I, I wanna be foolish with you (Foolish with you)  
I wanna be foolish with you (Hey, hey, everybody say)[Post-Chorus]  
They say that fools rush in  
But I, oh I, I wanna be foolish with you (Foolish with you)  
I wanna be foolish with you (Fool)  
They say that fools rush in (They say fools rush in, but I wanna be)  
But I, oh I, I wanna be foolish with you (Get it, foolish with you)  
I wanna be foolish with you (Hey, hey, hey)[Outro]  
They say fools rush in  
But I wanna be foolish with you, foolish with you  
Oh, they say fools rush in  
But I wanna be foolish with you, I wanna be foolish with you
